MORE UPSETS AT NORFOLK

RANDOLPH STABLE ENTRY MAKES PARTICU-LARLY POOR SHOWING AT SHORT ODDS

Mexoana Wins Race in Canter-Rye Straw Changes Hands After Victory in a Selling Race Track in Improved Condition.

Norfolk, Va., April 21.—Upsets were again the order at the Norfolk course this afternoon. Favorites won two purses, the consistent Rye Straw and Hugh Penny's Third Rail being the successful choices, Rye Straw, which won his race by half a dozen lengths, changed owners after his victory, F. J. Nolan, of the Beverwyck Stable, became Rye Straw's new owner when his agent, willie Martin, bid \$1,200. This was the only incident out of the ordinary during the afternoon.

The sport was uninteresting, a majority of the winners having big margins to spare at the finish. While the going improved some overnight, the footing remained treacherous in spots, especially saround the first turn and for a space on the backstretch. Good time was made in some of the races, however, especially in the opener, in which R. T. Wilson's Mexoana galloped away from her company to win in a canter by half a dozen lengths. The Randolph pair, Besom and Recquet, went to the post at 3 to 10. Besom, the main reliance of the stable, showed speed, but tired badly and Capsize casily beat him out for second money.

Several of the horsemen have arranged to ship from here to Pimlico on Tuesday next. August Belmont's string will probably leave on that day. T. Hatfield and C. A. Ross will send their strings to Lexington from this place and Eugene Moyne will ship direct to Toronto.

Jockey Adams, who rode for the Williams-Clopton confederacy at Jacksonville last winter and the year previous, and who was injured a few days ago, is reported to be improving. When the X-rays were used, it was found that in place of a broken limb he was suffering from a badly wrenched ankle. Forest Rose, the Virginia turfman who is racing a small but select string here in charge of J. W. Flynn, was a visitor at the course this afternoon. The Rose horses wintered remarkably well and are in splendid condition just now.

Secretary Gerhardy announces that on the closing day the program will be made up of seven races. Starter Mars Cassidy will leave immediately after the close of the

R. F. CARMAN REACHES LEXINGTON.

Lexington, Ky., April 21.—Richard F. Carman, accompanied by jockey G. Archibald, arrived from New York this morning. A stable of eighteen stalls had been reserved for him at the Kentucky Association track. It suited him, with the exception that it is not large enough to accommodate his string of horses due here from Belmont Park Sunday night. If suitable quarters cannot be obtained for fifteen horses outside of the track enclosure Mr. Carman will have a number shipped on to Louisville and keep here the eighteen that are ready to race. He says his horses wintered splendidly and that they have all been doing well at Belmont Park. He is satisfied that Meridian is a colt of Derby caliber and will send him out for the big prize at Churchill Downs. He will have a race or two at the local meeting in preparation for the Derby.

There was another heavy rain this morning and no horses were worked on the main track. There was nothing sensational in the gallops in the sand. Max Hirsch will ship War Jig and two others here from Louisville next week. The good two-year-old Calisse is on her way here from Louisville today to inspect his stallings hide. J. B. Respess was here from Louisville today to inspect his stallions Dick Welles and Marathon and a number of broodmares and foals at the farms of Thomas Piatt and John D. Carr.

DEATH OF OLD-TIME PLUNGER.

New York, April 21.—Francis Theodore Walton, better known as "Plunger" Walton, died today at his home in this city in his 74th year. His widow and son, Francis T. Walton, Jr., were at his bed-side at the end. Heart disease and the encroachments of age caused his death. He was formerly noted on the turf because of his heavy betting transactions. In 1881 he went to England, where he made some sensational winnings, his coups on single races ranging from \$25,000 to \$190,000. One day he lost \$500 on the first race and on the next race he is credited with getting back his \$300, together with \$73,000 "interest" from the bookmakers. He was specially successful in backing some of James R. Keene's horses in England and is said to have won \$700,000 in one season, only to return it all to the bookmakers during the succeeding years. When "Lucky" Baldwin's Volante won the American Derby in 1885 Walton is said to have won in excess of \$40,000 on the result. In 1894, after a disasstrous experience in the hotel business, he made an assignment, giving his liabilities as \$240,000 and his assets at \$200,000. That was the beginning of the end of his meteoric career. At one time he figured as an owner of race horses,

Mud Sill Puts in Fastest Work at Churchill Downs Yesterday-Many Horses Ready for Racing.

Louisville, Ky., April 21.—Mud Sill, W, H. Fizer's maiden candidate for the Kentucky Derby, did about the only fast work at the Downs today. He worked a half mile in 51½, running the first eighth in 12½, the quarter in 25½ and three-eighths in 38¾. He could have run faster. Round the World, favorite for the big race was out as usual, and cantered a mile and a half at a slow elip. All the other Derby eligibles were galloped, but none of them went a quarter better than 30. The best mile of the morning was by Pinkola, which good six-year-old pulled up in 1:46. The rail birds figure this Latonia Derby winner is a dangerous horse in all the big handicaps this spring. He never looked better and seemingly can run fast. Other good works included the following:

Henry Walbank—Three-quarters in 1:18½; first half in 49½; five-eighths in 1:03½. Right good

half in 49\(\frac{2}{3}\) in the eighths in 1:03\(\frac{2}{3}\). Right good now.

Maxin's Pride—Three-eighths in 40. Is fit.

Surget—Three-eighths in 36\(\frac{2}{3}\). Has a good turn of speed this spring.

Follie Levy—Three-eighths in 39\(\frac{2}{3}\), cantering. Never better.

Work Lad—Half mile in 51; three-eighths in 36\(\frac{2}{3}\). A likely two-year-old.

The Pippin—Five-eighths in 1:08, cantering. Is good now.

Trance—Quarter mile in 25. Looks good and is fit. De Cesarion—Half mile in 50\(\frac{2}{3}\). Royal Captive—Five-eighths in 1:05\(\frac{2}{3}\). Is fit. Permelia—Quarter mile in 26.

Shot—Three-eighths in 37\(\frac{2}{3}\). Looks good.

Fighting Hope—Quarter mile in 24\(\frac{1}{3}\). Just off the cars from California.

Ocean Blue—Three-eighths in 40. Looks like a stake colt.

Bredwell—Quarter mile in 24\(\frac{1}{3}\). Mother—Quarter mile in 24\(\frac{1}{3}\). Mother—Quarter mile in 26.

Yanker—Three-eighths in 39, cantering. Is training well.

Al Muller—Three-eighths in 30, cantering. Looks good.

Frank Starita arrived with his good race mare once in Margnerite. She raced in Florida the past.

Sigurd—Half mile in 54, cantering. Looks good. Frank Starita arrived with his good race mare queen Marguerite. She raced in Florida the past winter and, while only winning one race, finished in the money frequently and looks good now.

W. P. Fraser, secretary-treasurer of the Ontario Jockey Club and secretary of the Canadian Racing Associations, accompanied by M. Mahoney, inspected the pari-mutuel machines at the Downs. Mr. Mahoney holds the same position in Canada as Eugene Elrod does on the Kentucky circuit, being in charge of the betting rings. Mr. Fraser is a firm believer in the pari-mutuel method, and is one of the original advocates of the system in Canada. The machines will, in his opinion, place racing on a firmer basis than ever in the Dominion. The twenty-one machines that he ordered some time ago will be shipped from this city by express next Tuesday or Wednesday.

Fair Louise, D. P. Lynch's good filly which is in

chines that he ordered some time ago with be supped from this city by express next Tuesday or Wednesday.

Fair Louise, D. P. Lynch's good filly which is in J. W. Young's stable, has been fired in the knees, but is doing nicely. Alma Boy. Mr. Young's old campaigner, is again working, but will not race until the meeting opens here.

Col. M. J. Winn will visit Lexington before the spring meeting opens and will also be in attendance there during some days of the meeting, but with these exceptions he will not again leave Louisville until the curtain is rung down on the spring meeting of the New Louisville Jockey Club. He remarked yesterday: "It will be a great Derby and many new comers to Kentucky will see it run. In fact, I look for the biggest crowd that ever witnessed an afternoon's sport on a Kentucky track. And in spite of the unusual attendance sure to be on hand this spring the field will be thrown open and the people of Louisville will be invited to see the big race from the enclosure free of admission. It will be a day's racing no one can afford to miss, for it will be talked about for many years to come."

Carman Stable to Be Shipped From Belmont Park to Kentucky Today and Others Will Follow.

New York, April 21.—Richard F, Carman's string of thirty-three horses will be shipped from Belmont Park to Lexington, Ky., tomorrow. This is Park to Lexington, Ky., tomorrow. This is some of the biggest shipments of horses ready to race ever sent from New York to a western track. Mr. Carman's horses raced with distinction last year, and the Kentuckians will no doubt entertain a high respect for a Carman entry. The stable will undoubtedly have a strong following at the Lexington, Louisville and Latonia meetings. The Carman horses were liberally entered in the Kentucky stake events, and the older horses on past performances appear to have an excellent chance of holding their own.

Kentucky stake events, and the older horses on past performances appear to have an excellent chance of holding their own.

Eleven two-year-olds, fashionably bred colts and fillies, are included in the collection. Sherlock Holmes, Doctor Watson and Inspector Lestrade are eligible to the Raceland Stakes, while California Queen and Lady Sapphire are named in the Elmendorf, a four and a half furlougs dash for fillies.

Meridian, the three-year-old bay son of Broomstick—Sue Smith, is eligible to the Blue Grass Stakes, to be run May 10. The distance is one mile and an eighth.

Bonnie Kelso, Starbottle, Rogon, Horizon, Stare, Magazine, The Turk, Question Mark, Arcite, M. Cambon, Merry Lad. Campeon and Sir Cleges are many time winners in the string.

George Archibald, who is engaged to ride the Carman horses, arrived from the Pacific coast several weeks back. The young man is not only one of the most finished riders in this country, but his habits are exemplary. Archibadd is at the barn every morning and has mounts in the several sets.

Paradise Queen, a brown mare by Waterboy—Rose Carlo, and the chestnut mare Achieve, by Watercress—Stellaris, will be shipped to Kentucky to be mated with William O'B. Macdonough's Ormondale. Silas Veitch, who has been training ten cross-country horses at Belmont Park, shipped a half-dozen of the lot to Pimilico today. The horses handled by Mr. Veitch will race under different owners' silks and are as follows:

Mrs. Payne Whitney's bay gelding Web Carter, Ed L. Smith and H. W. Sage's Barno Dieskau and Bishop, F. Ambrose Clark's Hylda and Balitrea, Harry S. Page's Gold Plate, Henry W. Bull's Magnella and Harry K. Vingut's Waterspeed, Grandpa, Inniskillen and Black Bridge, the latter already being at Norfolk, are the property of Mr. Veitch. Otto Heider, who rode many a winner over the sticks, will pilot some of the Veitch charges at the meeting of the Maryland Jockey Club.

GOSSIP FROM BLUE GRASS REGION.

GOSSIP FROM BLUE GRASS REGION.

Lexington, Ky., April 21.—Sanford C. Lyne, the father of jockey Lucien Lyne, who is now riding in Belgium, has at his Larchmont Farm, near Brannan Station, Jessamine County, nine yearlings, seven colts and two filles. The smartest appearing of the lot is a chestnut filly by Marta Santa—Black Banner. The other filly is a bay by Marta Santa—seven of the colts the bay son of Orlando and Jessie Woodson, appears to be the pick. Next most highly regarded is the chestnut colt by Marta Santa—Pirate Polly. This colt resembles his dam. The others are: Chestnut colt by The Scribe—Semiramis; chestnut colt by Stalwart—Leigh Belle, by Bramble; black colt by Allana-Dale—Dollie Mc., by Prince of Monaco, and brown colt by Electioneer—Cornelia II., by Strathmore.

Woodson, the ten-year-old black son of St. Georgand Exclusion, by Rayon d'Or, which finished second to Highball in the American Derby of 1904, in the last running of that famous race at Washington Park, is now owned by Charles E. Perkins, of Burlington, lowa, and is in the stud at that point, Mr. Perkins came to Kentucky during the past winter and bought Woodson from L. B. Dickerson, of Nicholasville. This week he wrote that he is maring him with some thirty-five thoroughbred mares with a view to producing horses of the hunter and cross-country types. Mr. Dickerson is not training any horses this year. He has at his place near Nicholasville four two-year-olds and a yearling, all unbroken, and he says he does not intend to do anything will be revived in New York. One of the two-year-olds is a half-brother to Woodson. He is a son of John Morris' English stallion Charcot. Two of the two-year-olds is a brown filly by Monsieur de L'Orme, out of Ann Shaw, by Previous.

John B. Kaufman, owner of Peter Pender, or "Long-shot Peter," as he has been called at the Kentucky this spring. Peter Pender is now at the local track and is training well. His stable companions are Brother Mann, a five-year-old and the textucky this spring. Peter Pender is now

MAY KEEP RIGHT ON AT PENSACOLA.

Pensacola, Fla., April 21.—While today's attendance was fairly large, speculation was decreased to a noticeable extent at Kupfrian Park. There was nothing out of the ordinary attached to the racing. The usual form reversals were furnished by Chanate and Beverstein.

Rumors were current this afternoon of a probable extension of the racing after tomorrow, but if the continuance materializes it will be against the wishes of Manager Strode.

There will be a considerable shipment from here on Sunday next by boat to New Orleans. The consignment will comprise those horses intended for racing in Oklahoma. The Montreal half-mile tracks division will depart from here some time next week. Edward Corrigan left Pensacola this morning for Kentucky. Before starting he sold Warner Griswell to B. C. Evans. Mr. Corrigan's Explicit will be shipped this evening to Louisville.

General Manager Strode returned this morning from Tampa, where he has been for the last few days attending to affairs connected with the Tampa track, the buildings of which were burned several weeks ago.
